INDEPENDENT AUDITORS' REPORT

Members of the Board
Thornapple Area Parks and Recreation Commission

We have audited the accompanying financial statements of the governmental activities of the Thornapple Area Parks and Recreation Commission as of and for the year ended June 30, 2005, which collectively comprise the Commission's basic financial statements as listed in the contents. These financial statements are the responsibility of the Commission's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the basic financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as, evaluating the overall basic financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities of the Thornapple Area Parks and Recreation Commission as of June 30, 2005, and the change in financial position for the year then ended in conformity with U.S. generally accepted accounting principles.

The budgetary comparison schedule is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

The Thornapple Area Parks and Recreation Commission has not presented a management's discussion and analysis that the Governmental Accounting Standards Board has determined is necessary to supplement, although not required to be part of, the basic financial statements.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The accounting policies of the Thornapple Area Parks and Recreation Commission (the Commission) conform to U.S. generally accepted accounting principles (hereinafter referred to as generally accepted accounting principles) as applicable to governments. The following is a summary of the more significant policies.

a) Reporting entity:

In accordance with generally accepted accounting principles and Governmental Accounting Standards Board (GASB) Statement No. 14, *The Financial Reporting Entity*, these financial statements present the Commission. The criteria established by GASB for determining the reporting entity includes oversight responsibility, fiscal dependency, and whether the financial statements would be misleading if data were not included. The Commission has determined that no other outside agency meets the above criteria and, therefore, no other agency has been included as a blended or discretely-presented component unit in the Commission's financial statements. Also, the Commission is not a component unit of any other entity.

These financial statements include all the operations of the Commission, a municipal joint venture. The Commission was created in February 2000, by an agreement entered into by the Village of Middleville, the Township of Thornapple, and Thornapple Kellogg Schools. The Commission plans, operates, and provides park and recreational programs and services for the citizens of its member municipal units. Costs of operations and park improvement expenditures are supported by contributions from the member units. Each member unit is required to make a minimum annual contribution of \$3,000. The Commission does not hold title to any capital assets. All capital assets used by the Commission belong to the participating member municipal units. Capital expenditures, if any, are reported as "contributions to local units - park improvements."

b) Basis of accounting:

The statement of net assets and the statement of activities are reported using the economic resources, measurement focus, and the accrual basis of accounting. Revenues are recorded when earned and expenses when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all the eligibility requirements imposed by provider have been met.

c) Assets and liabilities:

i) Cash - Cash is considered to be cash on hand and demand deposits.

ii) Deferred revenues - The Commission defers revenue recognition in connection with resources that have been received, but not yet earned.

NOTE 2 - STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY:

Budgetary information - An annual budget is adopted on a basis consistent with generally accepted accounting principles. The budget document presents information by program. The legal level of budgetary control adopted by the governing body is the functional level.

NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 2 - STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY (Continued):

Excess of expenditures over appropriations - P.A. 621 of 1978, Section 18(1), as amended, provides that a local unit shall not incur expenditures in excess of the amount appropriated. The City's significant budgetary violations are as follows:

<u>Function</u>	<u>Total appropriation</u>	<u>Actual expenditures</u>	<u>Variance</u>
Culture and recreation	\$ 36,400	\$ 47,505	\$ 11,105
Contribution to local unit - park improvements	-	33,643	33,643

NOTE 3 - CASH:

Deposits are carried at cost and are maintained at various financial institutions in the name of the Commission. Michigan state statutes and the Commission's investment policy authorize the Commission to make deposits in the accounts of federally-insured banks, credit unions, and savings and loan associations. The Commission's deposits are in accordance with statutory authority.

At June 30, 2005, the Commission has deposits with a carrying amount of \$38,190 and a bank balance of \$37,651. The bank balance is covered by federal depository insurance.

NOTE 4 - RISK MANAGEMENT:

The Commission is exposed to various risks of loss related to property loss and errors and omissions. The Commission has purchased commercial insurance for each of these claims and is neither self-insured, nor participates in a shared-risk pool. Settled claims relating to commercial insurance have not exceeded the amount of insurance coverage in any of the past three fiscal years.
